The mission of the *Interdisciplinary Journal of E-Learning and Learning Objects* (IJELLO) is to provide readers around the world with the widest possible coverage of developments in E-Learning and Learning Objects. IJELLO is an interdisciplinary forum that publishes high quality articles on theory, practice, innovation, and research that cover all aspects of E-learning and Learning Objects.

IJELLO is an academically peer reviewed Journal. All submissions are blind refereed by three or more peers. IJELLO is published in print by subscription and its articles also appear online free of charge on the web site [http://ijello.org](http://ijello.org)

Copyright of Material Published in the Interdisciplinary Journal of E-Learning and Learning Objects

Material published as part of this journal, either on-line or in print, is copyrighted by the Informing Science Institute. Permission to make digital or paper copy of part or all of these works for personal or classroom use is granted without fee provided that the copies are not made or distributed for profit or commercial advantage AND that copies 1) bear this notice in full and 2) give the full citation on the first page. It is permissible to abstract these works so long as credit is given. To copy in all other cases or to republish or to post on a server or to redistribute to lists requires specific permission and payment of a fee. Contact Publisher@InformingScience.org to request redistribution permission.
